SUMMARY

I'm a passionate frontend developer who loves creating beautiful, responsive, and user-friendly websites. With 6 months of hands-on experience, I've developed a strong foundation in HTML, CSS, JavaScript, and Bootstrap. I've worked on 30+ projects over the last 1+ year. I believe in writing clean, maintainable code and staying updated with the latest web technologies. My goal is to create seamless digital experiences that users love.
